

# JOURNEY 2 TRIP 7
## SNAKES AND LADDERS

How to play Snakes and Ladders

1. Each player will put their counter on the space that says, 'START'.
2. Players will take it in turns to roll a dice or spin a counter.
3. If a player's counter lands on a space with special instructions, they must do what it says.
4. If a player's counter lands at the bottom of a ladder on their turn, they will move up to the top of the ladder.
5. If a player's counter lands on the head of a snake, they must slide down to the bottom of the snake.
6. The first player to get to the finish is the winner.
